#### Bully for Ben Butler.

A New York newspaper is responsible for the following report of an interview with Ben Butler one day last

"Gen. B. F. Butler, in a published interview, sneers at the efforts of the hard-money men to solve the silver and gold problem, and argues that paper money is the only good currency. The noney is the only good currency. The people, he says, will eventually rise up and throw off the yoke of coin money.
